About us

Established in the year 2007, YUYAO WELLKNOWN ELECTRIC APPLIANCE CO.,LTD. (abbreviated as Weinuo) is mainly engaged in producing and saling kitchen appliances, especially the meat chopper, mini blender, smoothie maker, food processor, salad maker, yogurt maker and egg steamer and some heating products. Every year we will spend much cost to research and develop new products to suitable for the new requirement on the market.

Our factory is located in Yuyao, Ningbo, is near Ningbo seaport and about only one hour to Ningbo Lishe International airport. We have a standard modern plant of 4000 square meters with an annual capacity of 800,000 sets. Our management team has more than 17 years experience in the development, manufacture and quality control for kitchen appliances. We have run the ISO9001 quality management system to monitor our operation efficiently. We also get the BSCI factory certification. Weinuo is becoming a more competitive supplier based on the quality, technology and innovation. We will develop more global markets, apply to the best service to the customers.

Our main export markets are in Europe(Germany, Italy, France, Russia, Czech, Poland and England), Asia (Japan, Korea, Philippine), South Africa, Middle east and South America, more than 25 countries and have many old customers in cooperating more than 5years. We gained very good reputation in these area.

For all the models we sell, we have many international certificates like CE, GS, CB, KC, JET, ROHS, LFGB, REACH. So we hope you we will have chance to cooperate with you in the near future . Welcome to Ningbo to visit our factory and make choice to cooperate with us.
